# Cryovac® 805 Whole Chicken Package

## A BETTER BAG FROM TOP TO BOTTOM.

The Cryovac 805 Whole Fresh Chicken bag offers supermarkets a new standard in poultry packaging- a premium heat-sealed vacuum package that eliminates leakers and has dramatically improved merchandising appeal. Retail cases and checkout scanners stay cleaner and more sanitary. Shoppers will appreciate just how good chickens look in the 805 bag. Its skin-tight shrink enables consumers to see the product better. High quality graphics give the bag outstanding appeal in the retail case. The time is right for the tough, abuse-resistant Cryovac 805 bag. Top to bottom, inside and out, its' a better bag all around.
